Monarch Plank Engineered Flooring: Finished-to-Order Collections and Custom-Finished Products

(Note: this warranty does not cover Standard Collections – those are covered under a separate warranty document)

Monarch Plank Responsibilities:

Lifetime Structural Warranty

Monarch Plank's warranty commitment is to provide quality engineered hardwood flooring that is free from manufacturing defects in milling and lamination for the lifetime of the product.

Finish Warranties

Monarch Plank Finished-to-Order and Custom-Finished products are covered under these finish warranties only when cleaned and maintained per the guidelines set forth for the coating type. For items finished with Oil and UV Oil finishes, that maintenance may require re-application of oil by a flooring professional during the period of this warranty, and the need for such re-application does not constitute a product failure. The frequency of the maintenance required to maintain a wood floor finished with Oil or UV Oil may vary significantly from one setting to the next depending on foot traffic. Floors finished with Oil or UV Oil used in a commercial setting may require frequent re-oiling. With Oil and UV-Oil finished floors, water and other liquids left for prolonged periods without being wiped up may cause spotting, which is normal and will not be considered a product defect. Gloss reduction is not considered wear through and is not covered under this warranty.

Residential Finish Warranty

Monarch Plank further warrants that, under normal residential conditions and with proper cleaning and maintenance as prescribed for the applicable coating type, the finish on Monarch Plank Finished-to-Order and Custom-Finished flooring products will not wear through to raw wood in any single area for 10 years from the date of purchase. Common areas in multi-family residences are not defined as Residential and are not covered under this Residential Finish warranty.

Light Commercial Warranty – Oil and UV Oil Finishes

Monarch Plank further warrants that, under normal Light Commercial conditions and with proper maintenance as prescribed for our Oil and UV Oil finishes, the finish on Monarch Plank's Finished-to-Order and Custom-Finished products finished with Oil or UV Oil will not wear through to raw wood in any single area for 3 years from the date of purchase.

Light Commercial Warranty – UV Urethane Finish (Requires Commercial Sealer Upgrade)

The UV Urethane coating on Monarch Plank Finished-to-Order and Custom-Finished products is warranted for Light Commercial use *if and only if* it is purchased with our Commercial Sealer upgrade. On floors where the Commercial Sealer has been applied, Monarch warrants that, under normal Light Commercial conditions and with proper maintenance as prescribed for our UV Urethane finishes, the finish on Monarch Plank's Finished-to-Order and Custom-Finished UV Urethane finished products will not wear through to raw wood in any single area for 3 years from the date of purchase.

Under this warranty, Light Commercial areas are defined as public or commercial spaces with light to moderate traffic and infrequent liquid spills, and do not include food preparation, food service or public dining areas, areas where people form lines such as in front of cash registers, areas where furniture is frequently moved such as auditoriums, or high traffic areas such as classrooms and near elevator doors.

These warranties are given only to the original retail purchaser of the flooring. No warranties are transferable. Monarch Plank reserves the right to verify and inspect any and all warranty claims. Warranty claims may be investigated and inspected by company personnel and/or NWFA Certified Hardwood Flooring Inspectors at our option. Some defect claims may require the removal of samples for analysis. Responsibility for replacement costs of materials will be determined after cause and analysis is made. Monarch Plank will repair and/or replace any material deemed defective at our option. Monarch Plank will directly reimburse the original purchaser. In the event that the defective flooring is unable to be repaired in a reasonable number of attempts, Monarch Plank will reimburse the original purchaser the purchase price of the flooring for the defective portion of the floor.

Color Disclaimer:

There are color and pattern variations in all wood. This is characteristic of a living tree. All wood will go through natural color changes from the effects of oxidation and ultraviolet light. In some species such as American Cherry, Walnut, Thermo-treated Oak and some exotics this color change is more pronounced. This is not a product defect and is not covered by the warranty.

Radiant Heat:

When the Installation Instructions are followed Monarch Plank Engineered Flooring having a top layer made of a species from the list of warranted species and of an appropriate plank size

as outlined in the 'Radiant Heat Systems' section of the Installation Instructions is fully warranted over radiant heat. The warranty will be void if any of the requirements in the 'Radiant Heat Systems' section of the Installation Instructions are not fully met. NOTE: in wood flooring installations over radiant heat, moderate surface checking, cracking (especially at the ends of boards and around knots), shrinkage, gapping between planks, and slight cupping are all to be expected and do not constitute a product defect.

Warranty Exclusions:

It is the responsibility of the installer to inspect the flooring for manufacturing defects and/or visible damage prior to installation. Monarch Plank accepts no responsibility for liabilities, claims, or expenses, including labor costs, where flooring with visible defects has been installed. No retailers, distributors or employees have the authority to alter the obligations, limitations, or exclusions under any of the Monarch Plank warranties. Monarch Plank excludes and will not be liable for or pay incidental, consequential or special damages under any warranties. These limited warranties constitute the only express warranties for the product purchased. To the extent permitted by law and for all non-consumer products, all warranties other than Monarch Plank limited warranties express or implied, including any warranty merchantability or fitness for a particular purpose, are disclaimed. If any implied warranty arises under state law, any and all implied warranties (including any warranty of merchantability and fitness for a particular purpose) are limited in duration to the duration of this written warranty, to the extent allowed by law. Some jurisdictions do not allow exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply. These warranties give the customer specific legal rights, and the customer may also have other rights that vary from jurisdiction to jurisdiction.
